S10

Wired Headset

S10

Plug into an immersive experience with **FINGERS S10 Wired Headset**, which guarantees clear, distortion-free sound and a comfortable fit. Delivering top class sound and top notch comfort - the S10 features an adjustable Mic and soft leatherette ear cushions. Perfectly built for a seamless & hassle-free experience, its simple plug-n-play setup & lightweight yet sturdy design facilitates high-level comfort. *A classic shade of rich black gives an oh-so-classy vibe.*

Multi-use without Interruptions

Online Classes or Webinars to attend?
Video Call with your boss?
Gaming with your friends?

FINGERS S10 is here!

Ticking all the boxes with its multi-use form factor, this wired headphone tends to all audio needs seamlessly and efficiently.

S10

Clear Calls with Exceptional Sound

Engineered with high-grade 40 mm powerful drivers, it delivers distortion-free vocals and bass focussed rich sound. Tune into clear and crisp audio while using it for voice calls, internet gaming, conferences, webinars or for some private music listening.

Top-Tier Comfort

With its ultra-lightweight feature and soft leatherette cushioned earcups, this sturdy headset rests on the ears perfectly and securely. And it enables you to use it for a long period without any compromise on its comfort.

Quintessential Design

Designed to look and feel great, S10 gives a classic & compact vibe - whether in the office, home or service desk.

S10

Impeccable Flexibility

With a Mic designed to provide improved flexibility – It can be adjusted and bent in ways that are comfortable to you, assuring endless conversations and a hassle-free experience. With an inline volume controller, tune to the desired volume without the need to reach out for your device and enjoy music effortlessly.

Simple Plug-n-Play Setup

Forget the worries of time-consuming setups, installations and charging. Just plug the auxiliary 3.5 mm golden connector into your mobile phone/tablets/laptop and you're good to go.
