UltimoDock 5-in-1 Type-C Hub

Making all your multitasking dreams come true, FINGERS Ultimo 5-in-1 Type-C USB Hub is your ultimate productivity companion!

Instantly providing 5-in-1 access with multiple next-generation ports including 2 x USB 3.0, HDMI, Giga LAN, and USB Type-C (PD Charging), this multiport hub adapter ensures lightning-fast data transfer, stunning visuals display, and reliable internet connectivity.

Engineered with a cutting-edge chipset, this all-in-one compact device delivers unparalleled performance with exceptional speed, maximum compatibility, and incredible reliability. With its sleek and ultra-modern profile design in a classy slate grey shade, you can keep it stationed on your workstation or take it with you on the go.

5-in-1

Giga LAN

Type-C with PD
(Power Delivery - Input Port):
Supports charging up to
100 Watts of Power

2 x USB 3.0 Port:
Super Quick Data
Transfer up to 5 Gbps

HDMI Port:
Supports 4K @ 30 Hz Resolution

Enjoy the versatility of using all five ports simultaneously for data management, quick device charging, internet connectivity, and extending your display. It can connect a wide range of peripherals, from keyboards and printers to hard drives, consoles, smartphones, and more.

2 x USB 3.0 Enjoy super quick data transfer of large files, movies & images at a lightning speed of up to 5 Gbps. And because you can transfer in the blink of an eye, you will spend less time syncing & more time working (or chilling).

HDMI Supports 4K @ 60 Hz Resolution, allowing you to quickly extend your laptop's screen and connect it to the TV. Enjoy your favourite movies, stream high-quality content, or present your work with unrivalled clarity and detail.

Giga LAN Stay connected wherever you go with our 10/100/1000M Ethernet Giga LAN port. Experience lightning-fast and reliable internet connectivity for seamless browsing, online gaming, or video conferencing.

USB Type-C (PD Charging) Experience lightning-fast charging with our Type-C port featuring Power Delivery (PD) technology. With support for up to 100 Watts of power, you can charge your devices quickly and efficiently.

UltimoDock 5-in-1
Type-C Hub

Great Looks. Sturdy Design.

Featuring an aluminium casing, the Ultimo 5-in-1 combines gorgeous looks with impressive durability. The golden Type-C connector adds a touch of designer elegance, enlivening your desk space. The high-quality braided nylon cable ensures tangle-free usage while maintaining its elegant appearance through daily use.

Ultra-Portable

With its slim and compact design, this hub easily fits in the palm of your hand and slips into any pocket or computer bag. It seamlessly connects to any smartphone or laptop, allowing you to plug in and use your devices while stationed or on the go.

Effortless Plug-n-Play setup

With no drivers or software required, simply plug it into your device, and you're ready to go!
